

Hi, I'm Linda Hoffstetter and I will be the 3rd grade PREP teacher. I have been a parishioner at Saint Joseph Church for 35 years and I am married to Bryan who is the choir director and organist here. We have 2 children and 3 grandchildren. I have taught the 1st grade and 4th grade PREP classes in the past, as well as being involved in VBS for many years. I also direct the handbell choirs at St Joes as well as being involved in the Altar and Rosary Society.

I look forward to helping you prepare for your First Eucharist and learning more about Christ in our Mass. There is a lot to learn about these two topics so it is important to be present for class, but also to participate by doing the readings for each week. I plan to make our learning fun, with lots of puzzles, and games to help us remember what we learn. One of the best ways to learn is to ask questions.

The classes will be structured the same way each lesson, 1. Opening prayer, 2. Lesson topic, 3. Bible story or verse, 4. Discussion, 5. Closing prayer.

If you have any questions please feel to contact me at my PREP email prepgrade3@stjoescoopersburg.org or call me at 610-653-9542.
