ST JOSEPH CHURCH

November 2026

New Logo and Slogan coming in December

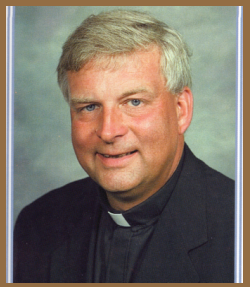

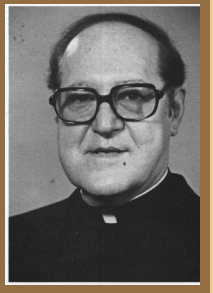

Welcome to the first installment of the St. Joseph monthly 100-year celebration newsletter. Each month, we will highlight a different decade of our history, from 1927 to today.

Join us as we celebrate our past, connect across generations, and help tell the story of our first 100 years.

Our Parish began in the barn pictured above, which the founding families turned into the original St. Joseph Church. They even kept the hayloft hill, which was used to bring caskets into the church for funerals. They added a bell tower complete with a bell. It rang by pulling a rope. That bell now sits in front of St. Michael Elementary School.

St Joseph Parish 1920's Trivia

1. Where was the first parish Mass held?
2. Which Diocese did St. Joseph Church belong to when it was established?
3. How many priests on the front side can you name?
4. Who was the first baby baptized in the original church building?
5. Who was the first couple married there?

Trivia Answers in December 2026 Newsletter
